Dear Paul:

Robert Martin has asked for a review of his suspension. I have contacted the father of the boy Martin allegedly molested. I need to hear first-hand what happened. I will then conduct a meeting with Martin, the council attorney, and myself. The council president is the committee chairman of one of the troops where Martin participated.

Sincerely,

Carlos del Hierro

Dear Mr. Martin:

After careful review, I have decided that your registration with the Boy Scouts of America should be suspended. I am therefore compelled to request that you sever any relations you may have with the Boy Scouts of America. A refund of your registration is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of membership the BSA seeks to provide for American youth.

If you wish to have this decision reviewed, please write to me within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be granted or reinstated.

The procedures for review are attached.

Sincerely yours,

*Carlos del Hierro*
